

Leafy Leather

Purely Plant, Perfectly Leather

WWW.LEAFYLEATHER.COM

OUR MISSION AND COMMITMENT TO SUSTAINABILITY

At Leafy Leather, our mission is to lead the charge toward a more sustainable future. We believe fashion should never come at the expense of our planet. By transforming agricultural byproducts such as corn husk and banana stem into durable, beautiful materials, we reduce waste and minimize environmental impact.

Our innovative process also supports local communities and promotes ethical practices. With every sheet of Leafy Leather, we move closer to a circular economy that benefits both people and the planet.

OUR PROCESS

1. Harvesting Agro-Waste

We partner with farmers to collect corn and banana waste, repurposing what's often discarded into a sustainable resource.

2. Crushing

The agro-waste is crushed into smaller pieces, preparing it for seamless processing.

3. Pulp Creation

Natural additives are blended with the crushed material, forming a wet pulp ready for transformation.

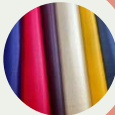

4. Drying

The pulp is spread into sheets and dried to form strong, eco-conscious material.

5. Finishing

We finish the material with textures, colors, and a protective coating, ensuring a beautiful and durable plant-based leather.

PRODUCT HIGHLIGHTS

Sustainable Composition

Crafted from Corn and Banana Waste + Natural Ingredients — Over 90% Bio-Based

Protective Finish

Minimal PU coating for durability while preserving sustainability.

Eco-Friendly Production

Manufactured with low water & energy usage.

Durability

Resists cracking, peeling, and fading.

Tailored to Your Vision

Options in thickness, finish, color, texture, backing.

Sheet Size

1m × 1m (usable area: 38in × 38in)

Pricing

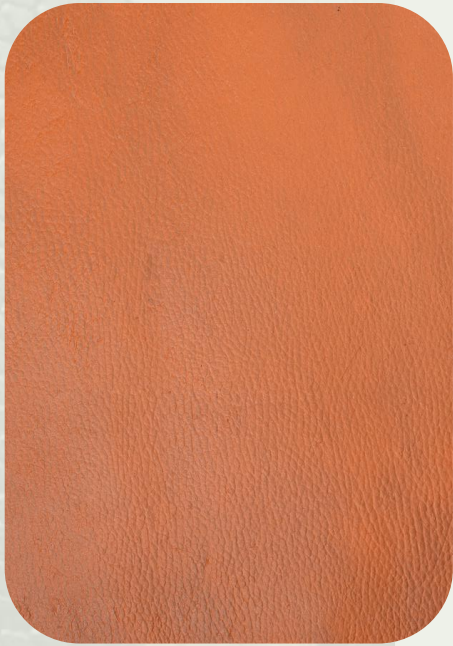

₹2,650 – ₹3,800 per sheet (customization and qty-based)

₹650 for small swatch set (3X4 inches)

₹2400 for large swatch set (1 sqft)

Please note that our prices are EXW, and shipping is not included. All stock materials are subject to change without prior notice in terms of availability, price, thickness, color variation, texture, backing, etc. Any modification of a SKU shown at this catalogue is considered as bespoke project.
